Solubility in Water	COMPLETE
Foam Profile	HIGH
Biodegradable	YES
pH of concentrate	7-8
V.O.C. % / Wt.	<10

PRODUCT CAUTIONS:

EYE & SKIN IRRITANT

(Cationic & Nonionic Surfactants, 2-butoxyethanol)

Wear eye protection and gloves when handling. Keep off of skin and clothing. Harmful if swallowed. Do not get into eyes. Store at room temperature with lids closed. Best if used within 2 years of manufacture date.

ADVANTAGES:

Ultra concentrated version reduces the need for large containers reducing chemical room clutter. No more empty container disposal issues. 2-3 times more applications per container!

Silicone-polymers shine, repel and protect!

Bright red, blue and yellow colors are available!

Produces rich foam with a strong tropical orange scent that rinses away fast for customer satisfaction!

Repels wash water and rain!

Add value to wash packages!

Economical to apply!

DIRECTIONS FOR USE:

Dilute 1:300-500 and foam onto vehicle after the application of soaps, preferably before the last mitter curtain so it can be lathered onto the surface then rinse off thoroughly with water.

Adjust dilution range and air to until the desired color and foam consistency is achieved.

*Too much soap on the surface at time of application can negatively affect the performance of this product.
