

CAR GUARD XP

SUPER CONCENTRATED COMPLETE BODY TREATMENT

DESCRIPTION:

Advanced vehicle protectant utilizes silicone-polymers that bond and cures to paint, glass, chrome and trim. Levels minor irregularities on the surface creating exceptional surface gloss and repellency. Wash resistant and protects vehicles from the elements. Produces light purple foam with an appealing grape fragrance. Applied on line and takes no extra time for your customers.

ADVANTAGES:

- Produces little build up requiring less application equipment maintenance!
- Long lasting repels rain water, soils and adds exceptional gloss!
- Cost effective, yields outstanding profits with lower overhead!
- Creates amazing repeat business!
- Purple foaming so you can see it applied! Grape scent appeals to customers when applied!

DILUTION RATIOS:

Dilute @ 1:120-240 or inject up to 1 ounce of concentrate per vehicle while maintaining 1:90-240 dilution. Dilution ratio will have an effect on durability!

PACKAGING:

5-Gallon, 15-30-Gallon Drum

PRODUCT PROPERTIES:

STATE	Aqueous
COLOR	Purple
ODOR	Grape
VOC'S %/WGT	<10
pH (100%)	5-6
LABELS (HAZ)	None
